

VEGECOLL®

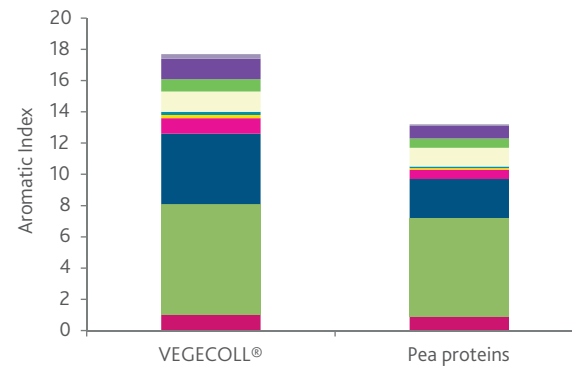

More efficient must fining

VEGECOLL® is an isolated of potato protein:

- **High quality**
Highly concentrated and pure protein preparation.
- **Allergen-free**
Vegetal protein authorised by OIV (resolution OIV-OENO 495-2013) and by the EU (Regulation n° 1251/2013) not listed as an allergen protein.
- An **emulsion** in solution.

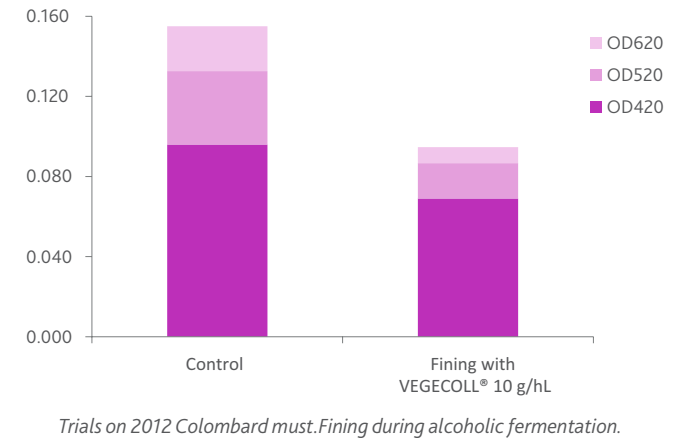

● ORGANOLEPTIC FINING

VEGECOLL® leads to a **better preservation of aromatic compounds**, especially 3MHA (tropical fruits) through the elimination of phenolic compounds responsible of oxidation phenomena.
